

# How to Print a Burial Transit Permit

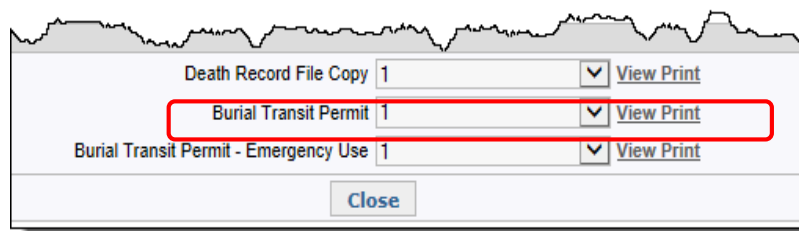

Once the personal and medical sections of a record are certified, you can print a Burial Transit Permit.

1. Open your record and scroll to the bottom. Click on **Print**.

2. From the Print screen, find the Burial Transit Permit and click **View** or **Print**.

3. Click **Print** to print a copy, or **View** to generate a PDF.

## Reminder

- The Emergency Use permit is for records that have not been certified.
- You are limited to 10 emergency use permits within a given year.
