

How to Print a Medical Certificate of Death

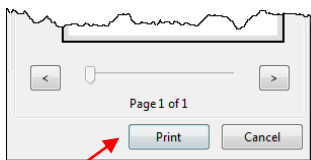

1. From the EDRS homepage, click on **Blank Forms** in the Case Management section.

2. In the list that pops up, click the **Medical Certificate of Death** option.

3. A blank Medical Certificate of Death will appear. Click the printer icon.

4. Click the **Print** button.

The screenshot shows a blank Medical Certificate of Death form. A red arrow points to the printer icon in the top toolbar. The form includes sections for Decedent, Certification, Cause of Death, and Medical Examiner information.
